

Louisville Audubon Society
2022 Grant Request Form
Application deadline is April 15, 2022
Will be awarded in May 2022

It is preferred that grant recipients are registered with the IRS as a 501(c)3 organization or be affiliated with one. If not, then the organization must demonstrate how it and/or the proposed project serves the general public.

Grants will not be given to fund endowments, administrative costs, staff salaries and/or benefits, and general operations.

Grants should support the mission of the Louisville Audubon Society:
To conserve and restore natural ecosystems, focusing on birds, other wildlife, and their habitats for the benefit of humanity and the earth's biological diversity.

Note: If your application receives funding, LAS would like to have a follow-up report and photographs, if possible, submitted via email by June 1, 2023. Email info on next page. Also, if you'd be interested in giving a presentation about your grant project, please let us know!
